

**2010 – Bulletin No. 1**

Dear League Members,

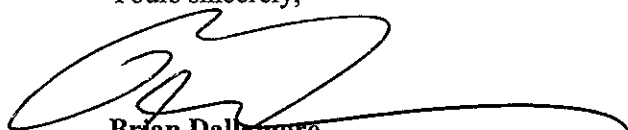

**Re: Rules Reminder – No Shows**

We experienced 2 walkover matches last Saturday due to teams arriving unacceptably late at their allocated matches or turning-up with an insufficient number of players.

Please note that any decision taken to award a walkover or to delay a game is entirely at the Venue Coordinators discretion. Due to fixture pressure we are instructing our VC's to delay a maximum of **10 minutes** from the allocated start-time before awarding a walkover to a team. However, he may choose to exercise further discretion in the circumstances. The VC decision is final.

Please ensure that you are at your allocated match 15 minutes BEFORE kick-off time to register players and take photographs etc. Refer to the league web-site continuously to identify any time or venue changes which are entirely at JSFA discretion. We may re-arrange a match up until the preceding Wednesday due to venue circumstances without direct notification to you. After the Wednesday preceding the game you will be notified of any subsequent match change.

Yours sincerely,

**Brian Dallimore**  
*Chairman*  
JSFA
