

2010 – Bulletin No. 2

To: All Coaches / Representatives,

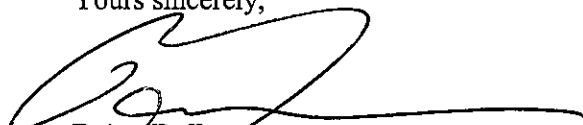

Re: Rules and Match Requirements

Please note the following urgent reminder of critical requirements;

1. No 2 players can wear the same number on a shirt during the game. Referees will be instructed to ask one player to leave the field if not changed.
2. Coaches **MUST** bring copy ID's to every game for their team. Please prepare this carefully and have available for inspection. The ID number must represent an auditable document such as passport, KTP etc and not a Jersey Number etc. You should also have with you a copy of your team page from the JSFA web-site to assist any identification issues.

Failure to comply may result in loss of match-points as the discretion of the league committee.

Yours sincerely,

Brian Dallamore
Chairman
JSEA
