

JSFA 2019 SEASON – BULLETIN # 2

Dear All,

As mentioned in our Bulletin #1, we are planning to run a senior girls' league this season, subject to having a sufficient number of participating teams.

The age group will be "Under 19", so we would expect players to be between 14 & 19 years of age. Players must be born on or after 1st September 1999. Maximum number of players registered per squad = 16 and maximum number of players (including substitutes) allowed to be fielded on match days = 13.

Last season, due to a lack of teams, we were not able to run a girls' competition so in order to try and attract more teams this season we have decided to change the format from 11 a-side to 7 a-side. Matches will be played on a half pitch with a duration of 4 x 12 minute quarters. The "offside" and "goalkeeper passback" rules will not apply.

JSFA and its sponsors really value the importance of promoting and developing girls' football so we are very much hoping for a positive response, with as many schools as possible entering teams. Please note that each school may enter more than one team.

Please let us know if you have any questions.

Best Regards

Kirk Evans
